

Bring wellness

to your workplace

A new world calls for new benefits. Give employees the fitness and wellness program they can use anywhere, anytime. With thousands of studio, gym, salon and spa partners, ClassPass is the most flexible benefit solution ever.

What's in it for you

Track employee engagement

Your personalized dashboard provides access to insights and team stats for you to determine the value of the program.

Motivate your team

Build a strong company culture with curated classes, challenges and customized team-bonding fitness sessions from top-rated studios.

Invest in a program that invests in you

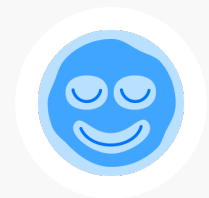

Your level of financial commitment dictates the overall experience you and your employees will have when interacting with our platform and team.

classpass
